Using CIPA rules three (3) repetitions for all loop figures, and figures using Serpentine patterns. All paragraph figures will be limited to two (2) repetitions.

NOTE: The figures for the Regional and National Championships will be drawn on **May 1, 2015**. The figures for the National Championships for both Junior/Junior World Class and Senior World Class will be drawn on their respective National practice days. Refer to AR17.16.05.

NOTE: The Regional and National draw for this season did not follow the traditional draw where if the first figure was an "A" figure by default, the second figure would be a "B" figure. This season, if the first figure had no "A" or "B" designation, it was disregarded in the rotation of "A" and "B" figures.
